Race

Flyers

- Wendy still has flyers available if anyone needs some.

Awards

- The awards have been ordered with the exception of the four large lava lamps which Wendy will purchase. An exact total for the dollar amount spent was not readily available, but we did stay under the set budget of \$1000.

T-shirts

- The Design is complete and the board decided it liked the idea of having a bright colored shirt verses a white or gray. Wendy will contact our vendor and price bright yellow or bright blue shirts that will work well with the Civitan colors and our Platinum Sponsor Zaxbys.

Water

- Jeff will be supplying 500 bottles of water through Neptune. He will also supply two large containers of water for the water station. He is also supplying the cups needed.
- Denise will supply the ice. We will need to get coolers.

Miscellaneous

- Wendy has a signup sheet for volunteers to be passed around.
- We will put together the race bags on Friday before the race. More information to come on the logistics of when and where. It may be possible to use the storage facilities at the Oconee Veterans Park. Vic is checking. We will also need to put batteries into the Lava lamps at this time.
